

BEAN BAG FOR PUPPY!

Supplies:

1. A piece of material at least 20 inches long and 12 inches wide
2. JASMINE RICE
3. Scissors, measuring tape, pins
4. Sewing machine or needle and thread

Directions:

1. Wash and dry the material to pre-shrink it
2. Spread the material out on a flat surface. Measure and cut the material so it is 20 inches long
3. Measure and cut the material so it is 12 inches wide

- 4. Fold material in half lengthwise so it will be 10 inches long**
- 5. Fold material in half lengthwise again so it will be 5 inches long**
- 6. Fold the material across widthwise. Fold in half so it will be 6 inches across. Pin and sew along the bottom and the side to close.**
- 7. Turn bean bag inside out so the sewing is on the inside. It will be like a bag with the top open.**
- 8. Fill the bag $\frac{3}{4}$ full with JASMINE RICE!**
- 9. Pin across the top and sew it closed**
