

FISH AQUARIUM

What you will need:

- 1.2 boxes of Berry Blue Jello**
- 2.Tropical gummy fish or whatever else you would like in your aquarium**
- 3.Chocolate rocks for the bottom**
- 4.A clear bowl**

Directions:

- 1.Make the 2 boxes of jello according to the directions. Pour into the clear bowl and place in the fridge.**
- 2.Check the jello in about 1 hour. It should be the consistency of honey. You can place the chocolate rocks down at the bottom. Place bowl back in the fridge.**
- 3.After another hour the jello should be the consistency of jam. You will be able to float the fish in the jello!**
- 4.Put back in the fridge until completely set!**

SPLISH, SPLASH!

ENJOY YOUR AQUARIUM!
